Dear Parent/Guardian:

This week the Pennsylvania State Police visited both Marticville Middle School and Martic Elementary School to provide an update on an incident that occurred last week in Providence Township when a young female student was approached by a man in a white van. Children have not been approached in Penn Manor or other school districts at this time but a van fitting that description has been sighted in various locations in southern Lancaster County.

The state police provided a detailed description of the van and occupant. It is a white van with a 5-inch wide turquoise color strip (peeling) near the bottom of the van. There is a metal ladder attached to the right rear passenger door. On the driver's side, there is a square shaped window behind the driver's seat and a long horizontal shaped window that runs the length of the van.

The suspect is a white, non-Hispanic male, approximately 20-25 years of age. He has short (close shaved) dark hair, thicker facial hair on the chin area with thin handlebar style facial hair up the jawline towards the ears. The individual did not have a mustache.

You are encouraged to contact your local police and your child's school if you observe this vehicle and/or suspect. The Penn Manor staff and bus drivers have also been alerted to this situation. Thank you for your help in keeping all children safe.

If you have any questions, please feel free to contact the principal at your child's school.

Sincerely,

A handwritten signature in black ink that reads 'Michael G. Leichter'.
