

## Challenger Little League of Lancaster County

Wow – every spring for the last 25 years Challenger Little League of Lancaster County has allowed all children with special needs the chance to play America's pastime – and as spring is just around the corner it is once again time to think about BASEBALL . We are getting ready and we want you join us !

Challenger, an official division of Little League International, offers children, age 5-18 (or still in school), the opportunity to enjoy baseball regardless of the challenges they face. It is an extremely safe environment where winning is least important and where making every player feel like a winner is most important.

Each child will enjoy the opportunity to experience the thrill that comes with wearing a uniform, playing on a team and having family and friends watch as he/she thrives in a program built on principles of participation and fun managed by caring, supportive volunteers. A large percentage of our coaches and helpers are parents or siblings of our players which makes the program so successful. Most games are on Sunday afternoons (generally starting at 1:30 or 3:00 depending on that week's schedule). Games last approximately 1- 1 ½ hours with every player participating every inning. There are NO practices. The season is from mid-April to end of June 2014.

**If you know of someone who is interested in Challenger, have them enroll online at [www.eteamz.com/ChallengerLancaster](http://www.eteamz.com/ChallengerLancaster) by April 4, 2014! If internet access is an issue PLEASE CALL the number below for assistance with registration. There is No FEE to play. Challenger is fully funded by an annual golf outing each year and other personal and corporate donations.**
