ATTENDANCE

Excuse forms or a written note from a parent should be returned to the classroom teacher immediately following an absence but will not be accepted after three days. If your child is absent for 3 or more consecutive days, he/she will need a doctor's note in order for the absence to be excused. If your child is absent for a portion of the school day, the number of minutes missed instruction will be added to his/her attendance record. Arrival after 9:00 am is considered tardy and students will need to bring an excuse card or handwritten note signed by a parent explaining the reason for the tardiness. Automated phone calls will be made to parents of students absent in grades 1 - 6. We recommend calling the school office prior to 9:15 AM to report your child absent.

BLOG

Parents are encouraged to sign up for electronic notification on our school blog. Information about Eshleman events and a current building calendar are available at this site. With 'electronic notification', you will receive an email when a new item is posted on the blog.

BREAKFAST

Breakfast will be available to all students beginning 30 minutes before the start of school each day. Students should be dropped off at the front entrance. Students arriving on the bus will be dismissed from the bus upon arrival at the school. Breakfast is \$1.25. Children qualifying for free or reduced lunch will also receive a free or reduced price for breakfast.

BUILDING EXPECTATIONS

Students will be made aware of school-wide behavior expectations through our SOAR program. Information regarding this program will be available throughout the school year. Above all, as parents and teachers, we strive to protect the learning environment from disruptions. It is the expectation that students, parents and school personnel help to minimize disruptions.

BULLYING/CYBERBULLYING

As defined in the school board policy:

Bullying means an intentional electronic, written, verbal, or physical act or series of acts directed at another student or students, which occurs in a school setting and/or outside a school setting, that is severe, persistent or pervasive and has the effect of doing any of the following:

1. *Substantial interference with a student's education.*
2. *Creation of a threatening environment.*
3. *Substantial disruption of the orderly operation of the school.*

Possible Consequences:

- Required counseling within school.
- Parent conference.
- Loss of privileges.
- Exclusion from school-sponsored activities.
- Detention
- Suspension
- Expulsion
- Referrals to counseling outside of school.
- Referral to law enforcement officials.

BUS POLICY

Students will be assigned seats and **MUST** remain seated until the bus arrives at their bus stop. They will be expected to keep the aisles clear and avoid all behaviors that may divert the driver's attention from driving safely. If damage is done to the bus, the offender will pay for it. Respect for the driver and for other students will be expected at all times. Riding the bus is a privilege, not a right. Students who violate bus rules or jeopardize the safety of bus riders may forfeit their bus riding privileges.

BUS BEHAVIOR POLICY

We will continue using a **"Three Strikes, You're Off" system** to address inappropriate behavior. Be aware that the following disciplinary steps will be taken when bus issues are brought to my attention:

First strike: Bus Referral 1

The student will lose their recess privileges for the day and the referral will be sent home to parents, which needs to be signed and returned the following school day. Students may not regain their recess until the office receives the signed note.

Second strike: Bus Referral 2

The student will lose their recess privileges for the week and the referral will be sent home to parents, which needs to be signed and returned the following school day. Students may not regain their recess until the office receives the signed note. In addition, the student's seat will be moved to allow for closer supervision by the bus driver.

Third strike, you're "OFF": Bus Referral 3

The student will lose their recess privileges for one week and lose their bus privileges for a period of time to be decided by the principal. The bus referral will be sent home for parent signature and must be returned the following school day. During this time, parents will need to provide transportation for their child.

***Exception: Any physical aggression may result in an immediate bus suspension per the principal's discretion.**

Additionally, the district policy states that each student will be **assigned one bus and one bus stop**. Due to safety concerns, students will only be able to ride the bus to which they assigned. Walking students will not be allowed to ride a bus. Students may not ride home on a different bus for purposes of transportation for after school activities. The district transportation director must approve all changes.

If a preplanned absence is necessary, parents are required to fill out a form for **prior approval**. Forms may be obtained from the office; please give the principal ample time (at least five days) to allow for good communication between the parent, teacher and school office. All assigned work will be your child's responsibility to complete within the time allotted by the classroom teacher (no more than 3 weeks).

*Please note, **NO** preplanned absences will be approved during PSSA testing.
